

Iowa County Humane Society

Someone here is waiting for you!

Thank you for your interest in taking the first step towards becoming a member of the ICHS Board of Directors. Our board members are dedicated and passionate about the welfare of all animals in our Iowa County communities. The road is long and the responsibilities are many but the rewards are priceless when you see the happy animals and shining faces of their new family members.

Please take some time to review the attached documents. They will help you to understand what being an Iowa County Board Member means. Our mission is critical to the animals and people that we serve so it is very important to us to find a diverse and well-rounded group of volunteers to serve as board members. The business of animal sheltering requires much more than just animal experience and your personal and professional experience could greatly help make a difference to our organization's success. We would love to hear from you about how your experience would benefit the many animals depending on us.

If you find that you are passionate about being part of the ICHS mission, please take time to complete the ICHS Board of Directors Candidate Application and return it to the ICHS Board Secretary at 305 County Road YZ, Dodgeville, WI. 53533.

You may find after reviewing this material that being a Board Member isn't for you. Please don't be disappointed—being a board member isn't for everyone and there are still many other ways in which you can help ICHS. Give us a call--we'd love to discuss how we can work together for the better treatment of our animal friends.

If you have any questions, please feel free to contact any of our current Board members. Contact information for them is listed on our website at www.ichs.net or you can call (608) 935-1381 and speak with either the Operations or Outreach Director.
