

Iowa County 2008 Low Cost Vaccination and Dog Licensing Clinic Schedule

The Iowa County Humane Society and Dodge-Point Mobile Pet Vet will be sponsoring several low cost vaccination and dog licensing clinics in Iowa County in 2008. These clinics are being made available to assist lower income pet owners or those who need assistance in obtaining vaccinations for their pets and are open to residents in the municipalities listed for the purpose of obtaining current rabies vaccinations and dog licenses as required by state and county ordinance.

<u>Municipality</u>	<u>Date</u>	<u>Location</u>
Village of Linden	March 8, 2008	Linden Fire Station 444 N. Jefferson Ave., Linden
Town of Eden & Village of Cobb	April 12, 2008	Eden Town Hall 302 N. Division St. (Hwy. 80) Cobb, WI.

All clinics will be held from 9:00 to 11:30 a.m. on the dates listed, rain or shine.

Vaccination Prices

Rabies	\$10.00 per dog/cat
Canine 5-way (distemper) + lept.	\$17.50 per dog
Feline 3-way (distemper)	\$15.00 per cat

Residents bringing pets for vaccinations must live in the municipality where the clinic is being held and must purchase their 2008 dog license at the clinic (cats must be licensed, as well, in jurisdictions which require licensing for cats). No vaccinations will be given to animals whose owners do not want to license their pet where required by law.

All dogs must be on a 6 ft. or shorter leash (no retractable leashes, please) and all cats must be brought in a carrier or on a suitable leash!!

For more information, please contact your local town or village clerk or the Outreach Director at ICHS at (608) 935-1381.
