3. ICHS was featured in the Weekender in Platteville this week. The article can be found at [www.SWIconnection.com](http://www.SWIconnection.com).
4. Calendars are now available locally and can be ordered on the website. Local 4-H groups have been contacted concerning the proposed calendar sale contest but no responses have been received so far.
5. After the holidays, we will be setting up the dog and cat memorial boards at ICHS where people can purchase a plaque in honor of or as a memorial for a beloved person or pet. The boards were made and donated by Scott and Marcia Thompson. This will work like a “Buy a Brick” program used by other shelters to generate funds for operations.
