**Shelter Population:** Cats = 89    Dogs = 24

**Foster Care:**        Cats = 17    Dogs = 8

**Total Animals:**    Cats = 106    Dogs = 32

**Operations Report:**

- In July and August, we adopted out 10 cats/kittens at PetSmart. Saturday, August 29, is our next adoption day. We will be participating in PetSmart's Fall Adoption Event the weekend of September 12<sup>th</sup>.
- 4H Shelter Dog Training Partnership update: Callie, Cody, Raz and JoJo all recently participated in the 4H Dog Obedience and Showmanship Show on August 16<sup>th</sup>. Four dogs who have participated in the program have been adopted this summer – Chance, Kismet, Roberta and Callie. Raz has a family interested in adopting him currently. Thank you to the 4H participants for training our shelter dogs!
- July and August have been challenging months for staffing. We have had a couple of staff members who have missed several days or weeks of work due to injuries or illness. We have two new Evening Kennel Assistants starting soon to fill open positions.
- Riley, our black lab, who was at the shelter for over two years, went to Lab Rescue. He is currently doing very well in the rescue's foster home. Waylon, another long term resident dog, was adopted to his forever home after being in foster care. Waldo, who has been at the shelter since 2006, is currently in a foster home for training and socialization.
- Myra, a long term resident cat, who originally arrived at the shelter in 2005 was recently adopted and is doing well in her new home.
- Our shelter animal population has increased from 100 animals in June to over 130 animals currently. Cat foster homes and all cat cages at the shelter are filled.
- In July, I took in four dogs from the Grant County Pound at Lancaster Vet Clinic. All four dogs were smaller breed dogs and friendly. In August, I have taken one dog from them – a Jack Russel Terrier.
