Operations Report:

- PetSmart adoptions this month = 2 cats. Dex's foster mom brought him to his first PetSmart adoption day. Dex is a long-term shelter resident who has been in foster care for three months with his brother Palmer. Dex did fantastic meeting new families, much better than he has done in the past at the shelter.
- We are currently making final arrangements for switching our open hours as of March 1, 2009. March 1st will be the first Sunday that we are open. We will be open on Sundays and closed Mondays. We will be open Tuesday – Friday from 1:30 pm – 5:30 pm and Saturday – Sunday from 12:00 – 4:00 pm. We will reevaluate our hours when the weather improves.
- Weekly kennel staff meetings are going well to improve communication between team members. We have been updating kennel procedures and reviewing general principals of caring for animals.
- Shelter staff interested in performing canine temperament evaluations will start training next week. We will have teams of two people performing an evaluation on each dog. By having two people performing an evaluation, it increases efficiency, safety and teamwork.
