| Nov. 22 | 10th **annual ICHS Silent Auction 1 to 3 pm and pancake** breakfast from 7 to 11 am at Dodger Bowl |

**Outreach:**

**On Oct. 12th ICHS participated in the United Fund kick off luncheon. Cheri received** interest and requests to speak with several area groups.

On Oct. 14th, Cheri met for the 2nd **time with Family Advocates in Platteville to** further discuss and begin drafting a sheltering partnership program for pets of victims of domestic violence.

**On Oct. 21st, Cheri met with the treasurers from Town of Eden, Town of Dodgeville & Town** of Wyoming to finalize plans for ICHS to start selling dog licenses for these municipalities in 2010. Dogs which are redeemed back to owners in these townships as well as dogs adopted by ICHS to residents of these townships will now be licensed before they go home. Town of Clyde is participating, as well. We have received inquiries for more information from the towns of Ridgeway and Waldwick so hopefully they will also choose to participate next year.

A letter about 2010 vaccination/licensing clinics went out to all municipalities at the beginning of October.
