Operations Report:

- PetSmart adoptions: We adopted out 8 kittens this month. Next PetSmart adoption day is Saturday, August 7th. We have been doing PetSmart every Saturday in an effort to find homes for kittens before they outgrow the “cute” stage.
- The 4-H Dog Project Partnership is going well. JoJo, a Shepherd mix, was adopted this past month. JoJo was in foster care with her 4-H family and had participated in the program last summer. Currently, there are three other dogs in foster homes with a 4-H family. There are five dogs total participating in the program. Thank you to all the 4-H volunteers for training our shelter dogs.
- The shelter is currently past its capacity for housing cats. All cat rooms, cages and crates are at filled. There are 19 kittens in foster care who are too young for adoption and 20 kittens under eight weeks old in pre-adoptable areas waiting for foster homes. Adoptions are slow, despite having fifteen kittens up for adoption currently.
- Two cats were transferred to Specialty Purebred Cat Rescue. One was an American Fold; the other was a Maine Coon cat.
- The shelter is at capacity for housing dogs. We are fortunate that we have dogs in foster care so that we have a couple of open kennels.
- A cocker spaniel was transferred to Shorewood Cocker Rescue. The dog had multiple health issues that the rescue will treat and then place her up for adoption.
