Operations Report:

- PetSmart adoptions: We adopted out 2 kittens in March.
- Waldo, a Terrier mix, who had been at the shelter for six years has been officially adopted and doing very well with his new family. Arabella, a cat, who had been at the shelter for almost three years was adopted.
- We have changed the way we process new volunteer applications. When prospective volunteers call or turn in a volunteer application, we invite them to a volunteer orientation session. After they attend an orientation session, they sign up for training in their field of interest. We schedule volunteer orientation sessions every other week. In March, we had 11 new volunteers attend orientation sessions and start volunteering.
- Two of our Siamese mixed cats were transferred to Specialty Purebred Cat Rescue.
